Stylish, thin and lightweight, the Portégé X30 and Tecra X40 from Dynabook are the perfect Windows 10 ultraportables that mean business, featuring the latest heavy-hitting quad-core 8th Generation Intel® Core™ processor performance, tons of options and lasting durability.

Windows 10

Windows 10 Pro means business.

Product Features

We Design, Manufacture and Engineer Our Laptops

Committed to quality, reliability and durability, we are the only major laptop manufacturer with the ability to write our own BIOS, develop, engineer, manufacture and extensively test laptops in-house to optimize system components found only on a Dynabook.

Intelligent Protection

Fortified with a variety of security features, including integrated IR camera and a fingerprint sensor, create an incredibly secure foundation to keep data safe from potential threats.

+care

+Care ServiceSM Warranty

Available for three years on feature configurations and four years on Build-to-Order models, +Care Service is our new, premier standard warranty with access to Dynabook's Technical Phone Support, Depot Repair, Carry-In, On-Site, and Customer Replaceable Parts services.

Modern Standby

Allows the laptop to stay connected to Wi-Fi® and run background tasks while in standby mode. It will boost system wake times and is more energy efficient.

Thunderbolt™ 3

Delivering speeds up to 40Gbps, Thunderbolt 3 gives you the power to connect up to eight peripherals simultaneously, including three 4K displays.

MIL-STD-810G Strong

Featuring a premium Magnesium alloy casing and honeycomb reinforcement, this laptop has been tested using the MIL-STD-810G methodology for drops, vibration, shock, dust, altitude, temperature, humidity and solar radiation.
